**TORUK – The First Flight** is a live immersive multimedia spectacle that brings to the stage the breathtaking world of James Cameron’s AVATAR like you have never seen it before. Through a riveting fusion of cutting-edge visuals, puppetry and stagecraft buoyed by a soaring cinematic score, Cirque du Soleil applies its unique signature style to James Cameron’s imaginary world and “makes the bond” between two kindred artistic visions that capture the imagination. This live immersive experience also bears the distinct signature of directors and multimedia innovators Michel Lemieux and Victor Pilon. It is a living ode to the Na’vi’s symbiotic coexistence with nature and their belief in the basic interconnectedness of all living things. Narrated by a “Na’vi Storyteller” and populated by unforgettable characters, TORUK – The First Flight is a mythical tale set thousands of years before the events depicted in the film AVATAR, and before any humans ever set foot on Pandora..
